RE: Proposed Closing of the Gravel Portion of Pickett Road

One of the key duties of the Durham Bicycle and Pedestrian Advisory Commission (BPAC) is to advise governing bodies on matters affecting pedestrian and bicycle transportation. At its meeting on December 16, 2010, the Durham BPAC discussed the proposed closing of the gravel portion of Pickett Road and approved the following recommendation by a unanimous vote:

Should the gravel portion of Pickett Road be closed, the Durham Bicycle and Pedestrian Advisory Commission strongly encourages that a bicycle and pedestrian connection be maintained between Trinity School and Erwin Road.

If you have any questions or concerns about this recommendation, please contact BPAC staff person Dale McKeel at [dale.mckeel@durhamnc.gov](mailto:dale.mckeel@durhamnc.gov) or 560-4366 ext. 36421.
